Go to <http://content.socialcare.wales/qualifications-funding/induction-frameworks/induction-for-early-years-and-child-care/progress-logs-1> for the latest version.

Progress logs record the achievement of learning outcomes for each of the sections covering core knowledge learning outcomes and practice learning outcomes of AWIF for early years and childcare. These were updated in September 2020.

You should complete the progress logs for each section with the worker, making sure that there is evidence to support the workers knowledge, understanding or practical outcomes. There is also an example of what a completed progress log looks like.
